

KAJVC Tryout and Commitment Policy

Offers to participate on KAJVC teams will be based on performance, attitude, effort, and position, as demonstrated at KAJVC tryouts. Exceptions to the mandatory tryouts MAY be made in unusual circumstances for players previously registered on KAJVC teams, however these players will still be required to commit to the club following the procedures outlined below. In certain circumstances, KAJVC may choose to form an entire team by invitation instead of by tryout.

Participation as a previously registered player on a KAJVC team DOES NOT guarantee a spot on a KAJVC team in future seasons.

Players are encouraged to let all clubs know their intentions as soon as the decision has been made. A player DOES NOT NEED to wait until the deadline to accept or decline an offer.

A verbal commitment made by a player to accept a position on KAJVC is considered binding, however formal acceptance of an offer is when the player selects KAJVC as their chosen club on Web point. (When registering on Web point for tryouts, all players must leave club selection as "undecided" until after an offer has been made by a club). Selecting KAJVC in web point must be done as soon as possible after the verbal acceptance but NO MORE than 12 hours afterwards. Upon formal acceptance in Web point, the player must remain with that club for the remainder of that team's season.
